

Westside High School Class Of 1964

Warriors,

There will be a CELEBRATION OF LIFE for Dr. James A Tangdall, PhD on Saturday, April 6th at 4 pm at Westside High School. Prior to that there is a VISITATION from 3 pm to 4 pm. Make any memorials to the Westside Foundation.

Dr Tangdall's daughter Kris Tangdall Greenwald has stated, "We have been absolutely overwhelmed by the sentiments shared by dad's 'Warrior Family' and the unexpected number of people wanting to actively participate in the service." Kris mentioned, "We cannot accommodate everyone to participate, but one of the speakers will read thoughts from the Warrior Family."

Our classmate, Ronald Hinckley, has offered to gather and assemble any Warrior class of 64 thoughts and provide them to Kris for speaker reading during the service. Please send your thoughts supporting Dr Tangdall's CELEBRATION OF LIFE to Ron at rsminc@aol.com.
